US President Donald Trump ordered a targeted military strike against an airfield in Syria from which a deadly chemical attack was launched this week. Some 50 Tomahawk missiles were launched from US Navy warships in the Mediterranean Sea, striking multiple targets —including the airstrip, aircraft and fuel stations — on an airbase in Homs, the officials said, speaking on condition of anonymity, said a Reuters report.

US stocks ended with modest gains as investors were nervous about upcoming talks between China's President Xi Jinping and U.S. President Donald Trump on Friday. Market participants were also cautious ahead of the start of the corporate earnings season next week given high valuations.

Parliament on Thursday passed four legislations to pave the way for roll out of the historic Goods and Services Tax (GST) from the target date of July 1. The Central GST Bill, 2017, Integrated GST Bill, 2017, GST (Compensation to States) Bill, 2017, and the Union Territory GST Bill, 2017 were returned by the Rajya Sabha after negation of a host of amendments moved by the opposition parties.
