Market Review 1.6.17

Nifty (9621) we said 'technically the trend is still intact up...the Nifty is likely to have a large day and move above 9638 could take it to around 9660-9713 zones as long as 9580 holds' the nifty traded sideways and has closed flat for the day...technically I would maintain that that trend is still intact up as long as 9580 holds...

The crucial support for the Nifty is at 9580-9540 and the resistance is at 9660-9713
