Market Review 3.8.17

Nifty (10082) we said 'technically the trend is still intact up as long as 10000 holds' the nifty opened in the green but traded down during the day awaiting RBI policy and trading volatile to close in the red.... technically the trend is still intact up as long as 10000 holds...

The crucial support for the Nifty is at 10000-9968 and the resistance is at 10149-10260-10536
