## Market Review 6.7.17

**Nifty (9638)** we said 'technically the trend is still intact up with some more sideways movement not ruled out' the Nifty traded sideways and closed mildly up as expected...technically now 9676 remains the target as long as 9600 holds...

The crucial support for the Nifty is at 9600-9560 and the resistance is at 9676
