Market Review 8.9.17

Nifty (9930) we said, 'technically nothing changes as long as it stays between 10005 & 9840' the Nifty opened in the green and traded weak during the day to close mildly positive...technically the Nifty is trapped between 9840-10005...it needs to come for a trend to emerge...

The crucial support for the Nifty is at 9840 and the resistance is at 10005-10050
