Market Review 9.5.17

Nifty (9314) we said 'technically now some more slide to 9225 is not ruled out if it breaches the 9270 mark' the Nifty held on to the 9270 and has closed in the green....technically now 9270 has become more important than before...breach of it would bring it crashing it down...9375 & 9414 are still a reference points to work with...

The crucial support for the Nifty is at 9270-9230-9185 and the resistance is at 9375-9414
