Market Review 11.10.17

Nifty (10017) we said, technically the trend is still intact up and there is a good chance that some sluggishness may creep in these upper regions' The Nifty unfolded sluggish trading in a very narrow range taking care to stop near our resistance to close mildly in the green... technically the trend is still intact but there is a good chance that we could have a large day with some profit booking in the upper regions...

The crucial support for the Nifty is at 9900 and the resistance is at 10035 - 10074
