Market Review 15.5.17

Nifty (9401) we said 'technically 9330 is a strong support to work with' the nifty traded weak as expected but has managed to stay above the crucial 9330 support...technically now 9340 is a crucial support to work with....

The crucial support for the Nifty is at 9340 and the resistance is at 9500-9633
