Market Review 23.8.17

Nifty (9765) we said, technical now 9685 is under threat' the Nifty traded in the green but traded lower to close flat...I would maintain that 9685 is under threat and only a move above 9860 would negate the down move...

The crucial support for the Nifty is at 9685 and the resistance is at 9860-9911
