Market Review 23.11.17

Nifty (10342) we said, 'technically now 10350 is as stiff resistance zone and a slide to around 10260-10200 is not ruled out...the Nifty saw some selling pressure but recovered towards the later part of the trading session and closed around resistance zone...technically 10410 is not ruled out as long as 10300 holds...

The crucial support for the Nifty is at 10300-10260-10200 and the resistance is at 10350-10410
