Corporate-

- Infosys:** Infosys, in its 33 years of existence, has for the first time recorded negative growth in employee hiring this fiscal, said a senior official of the Telangana Government on Monday, citing the IT giant's co-founder N R Narayana Murthy. Jayesh Ranjan, Secretary of IT Department, quoting Murthy, said the Bengaluru-based IT bellwether had recruited about 6,000 people so far in the current fiscal as against 20,000 to 25,000 every year.
- GVK Power & Infrastructure:** According to reports, the company has been finalised by Maharashtra's CIDCO to construct the upcoming Rs 16,000 crore Navi Mumbai International Airport, a greenfield project situated on the mainland. GVK, which currently manages the Mumbai International Airport Ltd, submitted the highest revenue sharing model of 12.6 per cent per annum, while its sole closest competitor GMR, which managed the New Delhi airport, quoted a figure of 10.44 per cent.
- Hindustan Zinc:** As Street expectations on Hindustan Zinc remained high after good production numbers and rising zinc prices, some disappointment from the December quarter profitability isn't a surprise or worrisome, as the company's prospects remain healthy. Though costs are expected to remain elevated moving forward too, on the volumes front, the company achieved highest-ever mined metal production during the December quarter, up 44 per cent sequentially and 21 per cent y-o-y.

Comments:

The benchmark indices on Monday scuttled between gains and losses to settle flat as investors awaited January consumer price index-based inflation data due later in the evening.
