## Market Review 14.12.18

**Nifty (10792)** we said 'technically now 10763-10911 is not ruled out as long as 10650 holds' the Nifty Unfolded strong as expected and has closed in the green in our target zone...technically the trend is still intact up and upside to 10911 is still on...as long as 10750 holds...

**Nifty Bank (26816)** we said 'technically now 26730 is not ruled out as long as 26400 holds' the Nifty Bank unfolded strong as expected and has closed in the green... technically now 27176 is also a possibility as long as 26650 holds...
