Domestic-Corporate

ONGC: State-owned ONGC's nine biggest oil and gas fields including Mumbai High and Vasai East came tantalisingly close to being sold to private and foreign companies, but the plan was nixed after strong opposition from within the government.

Punj Lloyd: An arbitration tribunal rejected a Rs 1,320-crore claim filed by the engineering, procurement and construction (EPC) contractor Punj Lloyd against Oil & Natural Gas Corporation (ONGC) and also the latter's counterclaim against Punj Lloyd for Rs 1,153 crore for loss of production due to delay.

Lakshmi Vilas Bank: Private sector lender Lakshmi Vilas Bank may end up raising Rs 200-250 crore through qualified institutional placement of shares, which is about 10 per cent of the bank's Rs 2,000 crore capital raising plan announced in June last year, a person familiar with the matter said.

IDBI Bank: The Reserve bank of India has classified IDBI Bank as a private lender after LIC took control of it. The move may lead to a rating downgrade and a rise in cost of funding as investors would factor in the absence of sovereign backing for the bank.

Jaypee Infratech: Lenders of debt-ridden Jaypee Infratech asked state-run NBCC and Suraksha Group to sweeten their offers for acquiring the bankruptcy-bound realty firm. The scrip is under ASM framework.

Bharti Airtel: Bharti Airtel named Nakul Sehgal as corporate chief financial officer, reporting to Chairman Sunil Bharti Mittal.

Comments – Benchmark indices took a breather on Thursday, after logging solid gains in the last three sessions amid mixed global peers and spurt in crude oil prices.
